

# **BIG NEWS** from *The Fox at Peasemore* **DECEMBER 2024...**

***“This is possibly our biggest news EVER, from the 40 years we have owned & run our own Country Pubs”***

## **Dear Friends, Customers and our Local Community,**

As we look ahead to 2025, we want to share some exciting news and changes for us here at The Fox at Peasemore from January 2025. This new chapter brings a mixture of nostalgia, gratitude, and fresh beginnings, as we enter our 41st year of personally running our own country pub and restaurants.

## **Forty Years of Memories,**

It was back in January 1985 that we took a leap of faith and bought and opened our very first pub & country restaurant. With the support of wonderful customers like you, we've been able to run five successful and different country pubs and restaurants over the past 40 years, each with its own unique stories and memories.

For the past twelve years, we've had the special privilege of serving the lovely village of Peasemore at The Fox. And now, as we reach retirement age, we find ourselves at a crossroads, wondering where and what to do next.

## **A Bold New Step: Semi-Retirement,**

After much thought, we've decided to embrace a new path, rather than selling or closing down The Fox at Peasemore. Peasemore has truly become home for us, and we can't imagine being anywhere else. So, while The Fox will remain at the heart of the village, we're making a few adjustments to step into semi-retirement and serving you in a slightly different way.

## **What's Changing in 2025?**

Starting after our January holiday, the Village Bar will still be open from **Thursday to Sunday Evening**, and you'll still find us here, ready to welcome you for drinks and dining, though with a few changes to the dining schedule. Our food service will be reduced and will be primarily focused on Lunch and Evening on a **Friday and Saturday**. While our dining hours may be a bit more limited, we're keeping the same warm, relaxed atmosphere and freshly prepared food that The Fox at Peasemore is known for.

## **One big change from January, is that our Sunday Lunch Menu will no longer be a regular weekly feature.**

Over the past 40 years, we've proudly served over 200,000 Sunday Lunches, and we're so grateful for everyone who has made it a tradition for family gatherings and celebrations. Going forward, we will still offer our Sunday roast menu on special occasions like Mother's Day and for private family celebrations for groups of 16 or more, **but to enable us to step into Semi-Retirement, we will, from Sunday 12th January, no longer be open for Sunday Lunch on a regular weekly basis.**

## **The Weekly Menu Focus will be Our Homemade Pies & Puddings, Plus Fresh Fish & Vegetarian Options.**

**On Fridays & Saturdays**, the menu will centre on our signature **homemade pies & puddings** – dishes that have become a favourite among our visitors. We hope these will continue to bring a little extra comfort and enjoyment to your weekend visits with us!

Our new 2025 opening times and menus will be on our website from early January 2025: [www.foxatpeasemore.co.uk](http://www.foxatpeasemore.co.uk)

## **Book Now for Christmas & December,**

While we look forward to semi-retirement in the New Year, we're still here to make this Christmas season extra special! **We're currently taking bookings for the Christmas & New Year Period**, so be sure to reserve your spot for the festivities. You can find our Christmas party menu, along with our Christmas and New Year opening hours, on our website at:

## **Thank You for the Journey,**

After forty years of running our own country pubs and restaurants, we simply want to say **“Thank You”** for your incredible support and for being part of this journey with us. It's been a privilege to serve such a wonderful community, and we're looking forward to welcoming you into this new chapter at The Fox at Peasemore.

**Here's to new beginnings and many more memories at The Fox at Peasemore! Warm Regards, Phil & Lauren**

***“The Peasemore Village Pub & Bar”***  
Will continue to be open for drinks on a regular weekly basis from Thursday to Sunday, on similar hours to what we have now... **So let's make Thursday Early Evening & Late Sunday Afternoon / Early Evening... and any bits in-between, the special time the Village all come together and enjoy their Village Pub...**
