

NEW OPENING HOURS & NEWS from The Fox at Peasemore January 2025...

“This is possibly our biggest news EVER, from the 40 years we have owned & run our own Country Pubs”
As we reach retirement age, we find ourselves at a crossroads, wondering where and what to do next next.

A Bold New Step: Semi-Retirement,

After much thought, we’ve decided to embrace a new path, rather than selling or closing down The Fox at Peasemore.

What’s Changing in 2025?

Starting after our January holiday, the Village Bar will still be open from Thursday to Sunday, and you’ll still find us here, ready to welcome you for drinks and dining, though with a few changes to the dining schedule. Our food service though, will be reduced and will be primarily focused on **Friday Lunch & Evening and Saturday Lunch and Saturday evenings.**

One big change from January, is that our popular Sunday Lunch Food Service will no longer be a regular weekly feature. Please see website for menu etc: <https://www.foxatpeasemore.co.uk>
